

ROTARY BARREL PUMP

Heavy duty for transferring non-corrosive based fluids of light to medium viscosity. Cast housing. Steel suction tube and discharge spout. Use with 200 Lt. containers. With an 2" BSP drum nut. & 1 meter suction tube

CAT NO	Pump Size	Thread Delivery	Thread Suction Pipe	Delivery/20 turns	Description
50-101	3/4"	1/2"x14 (NPT)	3/4"x14 (NPT)	2.75Lt	With all painted body & chrome plated suction pipe
*50-102	3/4"	1/2"x14 (NPT)	3/4"x20 TPI	2.75Lt	With all painted body & chrome plated suction pipe
50-103	3/4"	1/2"x14 (NPT)	3/4"x14 (NPT)	2.75Lt	With chrome plated Delivery pipe
50-104	1"	3/4"x14 (NPT)	1"x11 (BSPT)	5.00Lt	With all painted body & chrome plated suction pipe

*50-105	1"	3/4"x14 (NPT)	1"x11 (BSPT)	5.00Lt	Colour different, threaded, delivery pipe
*50-106	1"	3/4"x14 (NPT)	1"x16TPI	5.00Lt	With all painted body & chrome plated suction pipe
*50-107	1 1/2"	1/2"x14 TPI	3/4"x14 TPI	7.50Lt	With all painted body & chrome plated suction pipe
50-108	1 1/2"	1/2"x14 TPI	3/4"x14 TPI	7.50Lt	With chrome plated delivery pipe

Note :-

- ...▶ Delivery measured with diesel.
- ...▶ All the suction pipe replace with cat no. 50-151 to 50-158 according to thread.
- ...▶ All the suction pipe replace with cat no. 50-151 to 50-136
- ...▶ For Suction pipe thread can change as per order.
- ...▶ All the pumps are available with or without suction pipe.

***NOT SHOWN**

BARREL PUMP

Heavy constructed sand cast house, leak proof with two vans (rotate in the hose) use for transferring non corrosive petroleum based fluid of light to medium viscosity delivery pipe thread 3/4"x14 (NPT) suction pipe thread acc to tube

CAT NO.	Size
50-121	3/4"
*50122	1"
*50123	1 1/2"

*** Not Shown**

BARREL PUMP BAND

Heavy constructed steel pipe painted or Chrome plated as order.

CAT NO.	THREAD	Finish
*50-131	1/2"x 14 NPT	PAINTED
*50132	1/2"x 14 NPT	Chrome PLATED

50-133	3/4"x 14 NPT	PAINTED
*50-134	3/4"x 14 NPT	Chrome PLATED
*50-135	1/2"x 14 TPI	PAINTED
*50-136	1/2"x 14 TPI	Chrome PLATED
*50-137	3/4"x 14 NPT	Painted Both side thread

*** Not Shown**

50-138 : HANDLE

Heavy constructed sand casting use for rotating the barrel pump With Plastic handle.

CAT NO.	Size
50-138	3/4"
*50-139	1"
*50-140	1 1/2"

*** Not Shown**

50-127 : DRUM NUT

That sand casting component use with any type of barrel pump chrome plated spindle with tommy bar complete with 2" standard thread

CAT NO.	Size
50-125	3/4"
*50-126	1"
*50-127	1 1/2"

*** Not Shown**

TELESCOPIC SUNCTION PIPE

50-151:-

3pc heavy constructed steel golden zinc Plated finish with 1" BSPT thread

50-152:-

3pc heavy constructed steel chrome Plated finish with Plastic holder makes the leak proof body with 1"BSPT thread

50-153:-

3pc telescopic heavy constructed chrome plated body That is most compact size of telescopic suction pipe rubber seal gives the extra protection for leaking with 1" BSPT thread

50-154:-

2 pc telescopic (with rubber seal) chrome plated body 1" BSPT thread

50-155:-

2 pc telescopic (with rubber seal) chrome plated body 3/4" NPT

***50-156:-**

2 pc telescopic (with rubber seal) chrome plated body 3/4" NPT

***50-157:-**

2 pc telescopic (with rubber seal) chrome plated body 3/4" NPT

***50-158:-**

2 pc telescopic (with rubber seal) chrome plated body 3/4"x20TPI

*** Not Shown**

50-170:-

Flexible delivery pipe heavy duty rubber hose 1 meter long with steel discharge out let spring guard gives the extra protection of hose.

NOTE:-Telescopic Suction pipe thread can be change as per order.
